

duomed® soft

The soft and economic solution in British Standard.

- Polyamide threads make the stocking light to wear, comfortable and breathable
- Supple and elastic stocking ensures adaptation to every movement
- Available as below knee and thigh length with silicone topband
- Open and closed toe variants available
- Easy to apply, especially with easy-on-slipper included with open toe variants
- Suitable for machine washing up to 40° C and cool tumble drying
- Sizes S – XXL

Also on FP10 / GP10
