The Para Pro is a professional paraffin wax heating bath which is made to be used on 220/230 Volt power sockets and which can be used 24/7. In combination with our premium paraffin pearls it only needs 2,5 hours to completely melt 2,5kg of paraffin. The temperature is adjustable from 40-60°C and is easy to control due to the digital thermometer.

When ordering the Para Pro, you receive 2,5kg of paraffin pearls free of charge.
